

MEMORANDUM

Re: New Village

As Order Director of Village

As stated in previous memoranda, on 12/1/58, the Commission received one copy of the report of the study prepared by James J. Conroy, Jr., entitled "Study of the Village of New Village".

The report contains information, primarily on the water supply and sewerage requirements of the village of New Village.

As a part of this, the village council should have requested the agencies responsible for:

1. **Study the water supply, the treatment of sewage effluent in New Village as an emergency requirement, and the study of the sewerage treatment plant for the village of New Village, including the cost of the water supply, treatment, and the cost of the sewerage treatment plant.**

2. **The village council should have been advised, under the study, construction of the water supply.**

3. **Study the water supply and the sewerage treatment plant.**

- Study the water supply and the sewerage treatment plant.

- **As stated in previous memoranda, the village council should have been advised, under the study, construction of the water supply, treatment, and the cost of the sewerage treatment plant.**

- **As stated in previous memoranda, the village council should have been advised, under the study, construction of the water supply, treatment, and the cost of the sewerage treatment plant.**

- **The village council should have been advised, under the study, construction of the water supply, treatment, and the cost of the sewerage treatment plant.**
