**ANSWERS AND OBJECTIONS TO
PLAINTIFF D. MICHAEL JEWETT'S
CEPA AND LAD INTERROGATORIES TO
JACK LERER**

TO: William Perniciaro, Esq.
84 New Dorp Plaza
Staten Island, NY 10306

Attorney for Plaintiff D. Michael Jewett

COUNSEL:

In accordance with Rule 33 of the Federal Rules of Civil Procedure, and Local Civil Rule 33.1 of the Rules of the United States District Court for the District of New Jersey, defendant Jack Lerer Cate ("Lerer"), hereby objects and responds to plaintiff D. Michael Jewett's ("Jewett" or "Plaintiff") CEPA and LAD Interrogatories as follows:

GENERAL OBJECTIONS

1. Lerer objects to any interrogatory insofar as it attempts to impose upon him any obligations beyond those established by Federal Rules of Civil Procedure. Lerer will answer Plaintiff's interrogatories in accordance with those Rules and will not provide answers to the extent such answers would exceed the requirements of those Rules.

2. Lerer objects to the Interrogatories to the extent that they call for a legal conclusion or seek documents or information which are protected from disclosure by the attorney/client privilege or any other privilege recognized by statute, at common law, or by the Federal Rules of Civil Procedure, or which constitute or reflect attorney work product.

3. Lerer objects to any interrogatory that is not relevant to the subject matter of this action or is not reasonably calculated to lead to the discovery of admissible evidence.

4. Lerer objects to any interrogatory that is overly broad, unduly burdensome, vague or ambiguous.

ANSWERS TO INTERROGATORIES

Subject to the General Objections set forth above, Lerer responds to the Interrogatories as set forth below. In making these responses, Lerer does not waive any objections as to relevance, materiality or admissibility of evidence in this action or any other action or proceeding. Lerer

reserves the right at any time to revise, correct, add to or clarify any of the responses set forth herein, consistent with Rule 26(e) of the Federal Rules of Civil Procedure.

ANSWER TO THE CEPA INTERROGATORIES

INTERROGATORY NO. 1:

DESCRIBE all OBJECTIONS as to the propriety, lawful or UNLAWFUL nature of the TELECO HAITI DEAL, COMMUNICATED to you, by any PERSON (including the PLAINTIFF).

ANSWER:

Lerer objects to Request No. 1 on the grounds that it is overly broad; seeks information that is irrelevant and is not reasonably calculated to lead to the discovery of admissible evidence; seeks personal and confidential information of non-parties; and may, depending on its ultimate interpretation, seek information protected by the attorney-client privilege and/or work product doctrine. Lerer further objects to the extent the question seeks information regarding persons other than Plaintiff as overbroad and not likely to lead to admissible evidence as to Plaintiff's CEPA claim. Subject to and without waiving any objection, Lerer responds as follows: None. No one communicated any objections to me about the Teleco Haiti Deal.

INTERROGATORY NO. 2:

DESCRIBE your knowledge of, and participation in, if any, the decision to TERMINATE plaintiff's EMPLOYMENT at IDT.

ANSWER:

Lerer responds as follows: None. I did not participate in the decision to terminate Mr. Jewett.

INTERROGATORY NO. 3:

DESCRIBE your knowledge of all COMMUNICATIONS between you and other PERSONS (including the PLAINTIFF) RELATING to such TERMINATION of PLAINTIFF'S EMPLOYMENT at IDT including COMMUNICATIONS RELATING to UNSATISFACTORY WORK PERFORMANCE.

ANSWER:

Lerer objects to Request No. 3 on the grounds that it is vague and ambiguous; is unduly burdensome and overly broad; seeks information that is irrelevant and is not reasonably calculated to lead to the discovery of admissible evidence; and may, depending on its ultimate interpretation, seek information protected by the attorney-client privilege and/or work product doctrine. Subject to and without waiving any objection, Lerer responds as follows: On one occasion, Mr. Jewett's supervisor, David Schropfer, requested that I utilize Mr. Jewett on some of my projects. In that vein, I asked Mr. Jewett to send an e-mail correspondence regarding the technical aspect of the negotiations of the Latin American Telemovil Deal to various parties. One month after the delegation of the assignment, I requested an update from Mr. Jewett. Mr. Jewett's only response was that he was still waiting for a response to his email. In my business judgment, this was not satisfactory work performance and I relayed the information to Mr. Schropfer. This was the only work Mr. Jewett performed directly for me.

INTERROGATORY NO. 4:

DESCRIBE your KNOWLEDGE of all COMMUNICATIONS by PERSONS other than yourself RELATING to the decision to TERMINATE PLAINTIFF'S EMPLOYMENT.

ANSWER:

Lerer objects to Request No. 4 on the grounds that it is unduly burdensome and overly broad; vague and ambiguous in its request for Mr. Lerer's knowledge of communications by persons other than Mr. Lerer; may, depending on its ultimate interpretation, seek information

protected by the attorney-client privilege and/or work product doctrine; and seeks information not within the personal knowledge or information of Lerer. Subject to and without waiving any objection, Lerer responds as follows: I am unaware of any communications by other persons relating to the decision to terminate Mr. Jewett.

INTERROGATORY NO. 5:

DESCRIBE the PERSON or PERSONS who ordered the TERMINATION of PLAINTIFF'S EMPLOYMENT.

ANSWER:

Lerer objects to Request No. 5 on the grounds that it is vague and ambiguous in the use of the term "ordered"; and seeks information not within the personal knowledge or information of Lerer. Subject to and without waiving any objection, to the extent this Interrogatory seeks a description of the person and person who made the decision to terminate Mr. Jewett, Lerer responds as follows: I do not know who made the decision to terminate Mr. Jewett's employment. I was not involved in that decision and had no knowledge of the decision.

INTERROGATORY NO. 6:

DESCRIBE the PERSON or PERSONS who informed the PLAINTIFF of the decision to TERMINATE PLAINTIFF'S EMPLOYMENT.

ANSWER:

Lerer objects to Request No. 6 on the grounds that it is vague and ambiguous; seeks information that is irrelevant and is not reasonably calculated to lead to the discovery of admissible evidence; may, depending on its ultimate interpretation, seek information protected by the attorney-client privilege and/or work product doctrine; and seeks information not within the personal knowledge or information of Lerer. Subject to and without waiving any objection,

Lerer responds as follows: I do not know who informed Mr. Jewett of the decision to terminate his employment.

INTERROGATORY NO. 7:

IDENTIFY any PERSON or PERSONS who were present during the time that anyone informed PLAINTIFF of the decision to TERMINATE his EMPLOYMENT.

ANSWER:

Lerer objects to Request No. 7 on the grounds that it is overly broad; vague and ambiguous; seeks information that is irrelevant and is not reasonably calculated to lead to the discovery of admissible evidence; and seeks information not within the personal knowledge or information of Lerer. Subject to and without waiving any objection, Lerer responds as follows: I am unaware of who informed Mr. Jewett of his termination or who was present at the time Mr. Jewett was informed of his termination.

INTERROGATORY NO. 8:

DESCRIBE and IDENTIFY all DOCUMENTS RELATING to the decision to TERMINATE PLAINTIFF'S EMPLOYMENT.

ANSWER:

Lerer objects to Request No. 8 on the grounds that it is vague and ambiguous; overly broad; seeks information that is irrelevant and is not reasonably calculated to lead to the discovery of admissible evidence; may, depending on its ultimate interpretation, seek information protected by the attorney-client privilege and/or work product doctrine; and seeks information not within the personal knowledge or information of Lerer. Subject to and without waiving any objection, Lerer responds as follows: I am unaware of any documents relating to the decision to terminate Mr. Jewett's employment, have not seen any such documents, if they do

exist, and do not have any such documents in my custody or control.

INTERROGATORY NO. 9:

DESCRIBE and IDENTIFY all DOCUMENTS relied upon RELATING TO the decision to TERMINATE PLAINTIFF'S EMPLOYMENT.

ANSWER:

Lerer objects to Request No. 9 on the grounds that it is vague and ambiguous; overly broad; seeks information that is irrelevant and is not reasonably calculated to lead to the discovery of admissible evidence; may, depending on its ultimate interpretation, seek information protected by the attorney-client privilege and/or work product doctrine; and seeks information not within the personal knowledge or information of Lerer. Subject to and without waiving any objection, Lerer responds as follows: I was not in any way involved in the decision to terminate Mr. Jewett, am unaware of whether any documents were relied upon in the decision to terminate Mr. Jewett, have not seen any such documents, if they do exist, and do not have any such documents in my custody and control.

INTERROGATORY NO. 10:

DESCRIBE and IDENTIFY all PERSONS who provided any information relied upon in the decision to TERMINATE PLAINTIFF'S EMPLOYMENT.

ANSWER:

Lerer objects to Request No. 10 on the grounds that it is vague and ambiguous; may, depending on its ultimate interpretation, seek information protected by the attorney-client privilege and/or work product doctrine; and seeks information not within the personal knowledge or information of Lerer. Subject to and without waiving any objections, Lerer responds as follows: I was not involved in the decision to terminate Mr. Jewett and have no knowledge as to

whether anyone provided any information relied upon in the decision to terminate Mr. Jewett.

ANSWERS TO THE LAD INTERROGATORIES

Lerer further objects to the extent the question seeks information regarding persons other than Plaintiff as overbroad and not likely to lead to admissible evidence as to Plaintiff's LAD claim.
