RECF CASE

**DECLARATION OF NIKOL  
KABANOV**

I, NIKOL KABANOV, hereby declare as follows:

1. I am the Head of the National Anti-Corruption Committee ("Anti-Corruption  
NAC"), a Russian non-governmental organization ("NGO") established in 1999 to assess  
corruption, track and counteract measures, study corruption practices, and support anti-  
corruption activities. The Committee was founded by many people, including Sergei  
Vladimirovich Buzgalin (who later became the Chairman of the Accounts Chamber of the  
Russian Federation monitoring financial control over state expenditures), former Deputy  
Chairman of the Government of the Russian Federation Boris Nemtsov and Henry Malochuk  
Bogach, the Head of the Moscow College of Lawyers. Committee members include former  
Russian journalists and political figures, including deputies of the State Duma of Russia. There  
have been five Heads of the Committee since 2001 via election, which requires the vote of at least two-  
thirds of all the committee members.
