

**EDUCATIONAL RESEARCH UNIT
(EDUCATIONAL RESEARCH CENTRE)**

During the current reporting period, the following research projects have been completed by the unit. In addition, the unit has completed the annual report on its "Investigational" operations in the areas of research, teaching, service and the management of research. This report appears in the Annual Report of the Faculty of Education, Health, Behavioural and Society Sciences, 2014-2015, in the form of a supplementary section to the main section of the Annual Report of the Faculty of Education, Health, Behavioural and Society Sciences.

- **Studies completed & reports appear in the 2014 Annual Report**
Completed "Case" study based on the experiences of teachers and head teachers in the implementation of the national digital literacy strategy in primary schools. Studies report digital qualifications, number of school visits, and responses (see page 176).
- **Completed Research Studies**
Studies in the national implementation of the strategy of the Ministry of Education and Vocational Training, called digital literacy strategy in primary schools. Studies report digital qualifications, number of school visits, and responses (see page 176).
- **Studies in progress**
Study of the impact of the online content on the content delivery system, conducted with "Digital Literacy" program in the National Institute of Technical Teacher Education (NITE) in Trinidad. Study currently in the National Institute of Technical Teacher Education, digital qualifications, number of school visits, and responses to online content (see page 184).
- **Two Years Research Evaluation of the National Office of the University West Indies**
Study report on the implementation of the national digital literacy strategy and research unit report on the impact of the National Institute of Technical Teacher Education (NITE) in the implementation of the digital literacy strategy in primary schools. Studies report digital qualifications, number of school visits, and responses to online content (see page 184).
