Re: Reporter Ken Dilanian's Article re: Sergei Magnitsky

Dear Ms. Harris:

We write on behalf of our client, William Browder. We have reviewed emails between your journalist, Ken Dilanian, and Mr. Browder.¹ Mr. Dilanian has indicated that he intends to publish today an article regarding certain allegations that Mr. Browder "concocted the story of Magnitsky as a whistleblower to cover up [his] own alleged tax fraud."
