

Here is a [report](#) by Michael Weiss that goes into detail to prove another Browder forgery, the "batons" story.

**Evidence that D310.pdf linked to on Russian Untouchables website to show Sergei Magnitsky was beaten with batons is a forgery.**

**O**n page 18 of a [document](#) titled, Magnitsky Murder & Cover-Up Report linked to on Bill Browder's Russian Untouchables [website](#), he repeats his story that Sergei Magnitsky was beaten to death by eight riot guards armed with rubber batons and, for convenience, links to two untranscribed Russian documents:
