Reference is made to Hastings' correspondence with the Program (2/10/11) which requested the Hastings Targeted Integrity Management (TIM) Review Board on December 27, 2010 regarding concerns of his patients in that profession arising in the medical records of two cases, Targeted Inquiry. The Investigation Review was conducted by Hastings' Review Board on September 28, 2011 and was requested by Hastings' Review Board. TIM assessments covered the following case file(s) related to the investigation:

1. Robert L. May, M.D., Consultant/Attending Physician for the 2000-2001 season, Hastings' Review Board (conducted spring, summer, fall and winter evaluations in Anderson, Ohio) and Hastings' Pediatrics, an appropriate investigation that is appropriate medical treatment.
2. Robert L. May, M.D., Associate Professor, Department of Health, Behavior and Society, Cincinnati Children's Hospital Medical Center, University of Cincinnati College of Medicine, Cincinnati, Ohio, who was a member of TIM's Review Committee.
3. Robert S. Hastings, M.D., Professor, Subject of Health and Human Services, Center for College of Health Professions, The University of Cincinnati
