Q.1. Read the following passage and answer the questions given below.

The first part of the passage discusses the importance of education in a developing country. It highlights the role of schools in providing basic literacy and numeracy skills to the population. The second part of the passage talks about the challenges faced by the education system, such as lack of infrastructure and qualified teachers. The third part of the passage suggests some measures to improve the quality of education, such as investing in teacher training and infrastructure development.

Q.2. Write a short paragraph on the importance of education in a developing country. Use the following points as a guide:

- Education is the key to economic growth and development.
- It helps in creating a skilled workforce.
- It promotes social equality and reduces poverty.
- It is essential for the overall progress of a nation.

Q.3. Write a short paragraph on the challenges faced by the education system in a developing country. Use the following points as a guide:

- Lack of infrastructure and facilities.
- Shortage of qualified teachers.
- High cost of education.
- Low quality of education.
